

Redeem your free Styku 3D body scan!

E-mail Sarah Voet at sarah.voet@westernracquet.com to schedule your scan and present this card at the time of your appointment!

What is the Styku?

See where you stand with precise body measurements and learn how to improve your well-being. The Styku body scan machine brings your body to life by creating a 3D avatar to highlight how body composition changes over time. Get exact shape body composition, and other insights that will aid you in your wellness journey!

How does it work?

Step onto the Styku and in just seconds your body will be scanned using a simple turntable and 3D camera. In only 35 seconds, we extract millions of measurements with 2mm accuracy and reconstruct your body in 3D!
